

WOLVERHAMPTON SOUTH DISTRICT SCOUTS AIR RIFLE COMPETITION

Rules

Teams and Eligibility

Each team will consist of **NOT MORE** than 4 Scouts who **MUST** be **10½ or over** and **under 14½** years of age on the date of the competition. A leader and/or responsible adult must accompany each team and may act as a loader. **No coaching or teaching is permitted.** Proof of age should be available if requested. All competitors **MUST** be invested members of the Scout Association and **MUST** be members of a Scout Group within the district. A "Permission to Shoot" form must be completed for **ALL** competitors and must be available for inspection on the day. A "scratch team" may be formed from any "extra" Scouts that turn up on the day, subject to lane availability. This team will not compete in the team competition but the members will take part in the individual competition. Registration will open at 1:30 p.m. Briefing will commence at 1:45 p.m. and shooting is scheduled to start at 2:00 p.m. Any competitors arriving after 1:45 p.m. will only be permitted to enter the competition at the discretion of the Senior Range Officer.

Safety

All competitors must observe the safety rules of the centre and follow the instructions of the Range Officer(s) at all times. Failure to do so will result in disqualification of the entire team. The decision of a Range Officer is final in all matters of safety. As the Competition will be held at NSRA Aldersley, it is desirable that all competitors will have used the centre **AT LEAST ONCE in the six months** before the competition, as **THERE WILL BE NO TIME FOR TEACHING** on the day. Owing to the limited space available only 1 (one) team per group is permitted and absolutely **NO** spectators are permitted. Safety glasses will be available if required.

Shooting

Competitors under the age of thirteen (13) on the day of the competition may shoot **BENCH RESTING** at 10m. In this case the target must also be marked with the letter B. Competitors aged thirteen (13) or older (on the day of the competition) **MUST** shoot **FREE STANDING** at 10m. All competitors will use the rifles provided. Variations maybe allowed at the Range Officer's discretion. No adjustment may be made to the rifles (including the sights). The allocation of lane and rifle to the teams will be made on the day on a first come, first served basis.

Targets and Scoring

Each competitor will be issued with one (1) NSRA Air 3/89-18 (5 spot) sighting target (corner removed) and four (4) NSRA Air 3/89-18 (5 spot) Targets. Only 5 shots per target. The sighting target should be used first and will not be scored for the competition. The remaining 4 cards will be used for scoring purposes. Any targets with more than 5 shots on will have the **HIGHEST** score(s) discounted and only the **LOWEST 5** scores will count towards the competition. All targets **MUST** be clearly marked in ink with the competitor's name and team name. All competition targets **MUST** be handed to the official scorers for scoring. Self scoring is not permitted. In the event of a **TIEBREAK**, each competitor involved (whether shooting for the individual or team trophy) will shoot an extra competition card after a 2 minute sighting session. The highest score will determine the winner. If there is still a tie after the extra card, a **SUDDEN DEATH** situation will ensue. Each competitor will take a single shot at target until there is a winner (highest scoring shot wins).
